Provider Introduction

This directory provides a list of Imperial Insurance Companies Inc.'s network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC).

You will have to choose one of our network providers who are listed in this directory to be your **Primary Care Physician (PCP)**. The term "PCP" will be used throughout this directory. Generally, you must get your health care services from your PCP.

What is a PCP?

Your PCP is a physician who meets state requirements and is trained to give you basic medical care. You will get your routine or basic care from your PCP. Your PCP can also coordinate the rest of the covered services you need. In most cases, you must see your PCP to get a referral before you see any other health care provider.

"Coordinating" your services includes checking or consulting with other plan providers about your care and your progress. If you need certain types of covered services or supplies, you must get approval in advance from your PCP (such as giving you a referral to see a specialist). In some cases, your PCP will need to get prior authorization (prior approval) from us.

The "network providers" listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory; however, some services may require a referral. If you have been going to one network provider, you are not required to continue going to that same provider. In some cases, you may get covered services from non-network providers.

What if you use non-plan providers to get covered services?

Non-plan providers are providers that are not part of Imperial Health Plan. If you use non-plan providers, you may have to pay more. You must use plan providers except in emergency or urgent care situations. If you obtain routine care from out-of-network providers neither Medicare nor our plan will be responsible for the costs. Care or services you get from non-plan providers will not be covered, except for emergency care (including ambulance services and post-stabilization care), urgently needed care, renal dialysis (kidney), and any services covered through an appeals process.

What if you receive a bill from a non-plan provider?

If a non-plan provider sends you a bill for covered services that you think should be paid by our plan, please contact Member Services Department at 1-800-838-8271, (TTY: 711) October 1 – March 31: Monday – Sunday, from 6:00 a.m. – 8:00 p.m. PST April 1 – September 30: Monday – Friday, from 6:00 a.m. – 8:00 p.m. PST. We will ask you to send the bill to us so that we can process and determine the amount you owe, if any. If you have already paid for any medical care that we cover, we will reimburse you for our share of the cost.

How to get covered services when you have an emergency?

When you have a "medical emergency," you believe that your health is in serious danger. A medical emergency can include severe pain, a bad injury, a sudden illness, or a medical condition that is quickly getting much worse.

If you have a medical emergency:

Get help as quickly as possible. Call 911 for help or go to the nearest emergency room, hospital, or urgent care center. Call for an ambulance if you need it. You do not need to get approval or a referral first from your PCP.

As soon as possible, make sure that our plan has been told about your emergency. We need to follow up on your emergency care. You or someone else should call to tell us about your emergency care, usually within 48 hours. Please refer to the information provided on the back of your membership card for specific directions and appropriate phone numbers to call.

After the emergency is over you are entitled to follow-up care to be sure your condition continues to be stable. Your follow-up care will be covered by our plan. If your emergency care is provided by out-of-network providers, we will try to arrange for network providers to take over your care as soon as your medical condition and the circumstances allow.

How to get urgently needed care?

“Urgently needed care” is a non-emergency situation when:

You need medical care right away because of an illness, injury, or condition that you did not expect or anticipate, but your health is not in serious danger. Because of the situation, it isn't reasonable for you to obtain medical care from a network provider.

Whenever possible, you must use our network providers when you are in the plan's service area and you have an urgent need for care. In most situations, if you are in the plan's service area, we will cover urgently needed care only if you get this care from a network provider. If the circumstances are unusual or extraordinary, and network providers are temporarily unavailable or inaccessible, our plan will cover urgently needed care that you get from a non-network provider.

Suppose that you are temporarily outside our plan's service area, but still in the United States. If you have an urgent need for care, you probably will not be able to find or get to one of the providers in our plan's network. In this situation (when you are outside the service area and cannot get care from a network provider), our plan will cover urgently needed care that you get from any provider.

Where are Imperial Insurance Companies Inc.'s providers located?

This directory covers the following counties in Imperial Insurance Company's service area:

- **Arizona:** Maricopa, Pima, Coconino, Pinal, and Yavapai
- **Nevada:** Clark
- **New Mexico:** Bernalillo
- **Utah:** Salt Lake

Our plan's network also includes providers in other counties in Texas. To find out about providers in other areas, please call our Member Services Department at 1-800-838-8271, (TTY: 711) or visit our website www.imperialhealthplan.com.

How do you find Imperial Insurance Companies, Inc.'s providers in your area?

The PCPs in this directory are organized alphabetically by the cities where they reside, and further listed in alphabetical order by last name within each city. By looking up the city in which you reside, you will be able to find the physicians listed in your area.

The specialty care providers (specialists) are organized alphabetically by the specialty groups they belong to. If there is a particular plan specialist that you want to use, check first to be sure your PCP makes referrals to that specialist. Your PCP choice may restrict you to a specific group of specialists.

If you have questions about Imperial Insurance Companies or require assistance in selecting a PCP, please call our Member Services Department at 1-800-838-8271, (TTY: 711), October 1 – March 31: Monday – Sunday, from 6:00 a.m. – 8:00 p.m. PST or April 1 – September 30: Monday – Friday, from 6:00 a.m. – 8:00 p.m. PST.

Introducción de proveedores

Este Directorio ofrece una lista de los proveedores de la red de Imperial Insurance Companies, Inc. Para obtener información detallada sobre su cobertura de atención médica, consulte su Evidencia de cobertura (*Evidence of Coverage*, EOC).

Tendrá que elegir a uno de nuestros proveedores de la red que figuran en la lista de este Directorio como su médico de atención primaria (PCP). El término "PCP" aparecerá en este directorio. Por lo general, debe obtener los servicios de atención médica de su PCP.

¿Qué es un PCP?

Su PCP es un médico que cumple con los requisitos estatales y está capacitado para darle atención médica básica. Recibirá su atención médica básica y rutinaria de su PCP. Su PCP también puede coordinar el resto de los servicios cubiertos que usted necesite. En la mayoría de los casos, debe consultar con su PCP para obtener una remisión antes de atenderse con cualquier otro proveedor de atención médica.

"Coordinar" sus servicios incluye verificar o consultar con otros proveedores del plan acerca de su atención médica y su progreso. Si usted necesita tipos de servicios o suministros cubiertos determinados, debe obtener una aprobación anticipada de su PCP (por ejemplo, cuando le da una remisión para consultar con su especialista). En algunos casos, su PCP deberá obtener autorización previa (aprobación de antemano) de nosotros.

Los "proveedores de la red" que figuran en este Directorio han acordado brindarle servicios de atención médica. Puede ir a cualquiera de los proveedores de la red que aparezca en el listado de este directorio; sin embargo, para algunos servicios es posible que necesite de una remisión. Si ha estado atendiéndose a un proveedor de la red, no es necesario que continúe atendiéndose con el mismo proveedor. En algunos casos, puede obtener servicios cubiertos de proveedores no de la red.

¿Y si utiliza proveedores no del plan para obtener servicios cubiertos?

Los proveedores no de la red son proveedores que no forman parte de Imperial Insurance Companies. Si usted utiliza proveedores no del plan, es posible que tenga que pagar más. Debe usar proveedores del plan excepto en situaciones de atención de emergencia o urgencia. Si obtiene atención rutinaria de proveedores fuera de la red ni Medicare ni Imperial Insurance Companies serán responsables por los costos. La atención médica o los servicios que reciba de proveedores no del plan no estarán cubiertos, excepto la atención de emergencia (incluidos los servicios de ambulancia y la atención médica posterior a la estabilización), atención de urgencia, diálisis renal (riñón) y cualquier servicio cubierto por un proceso de apelación.

¿Y si recibe una factura de un proveedor no del plan?

Si un proveedor no del plan le envía una factura por servicios cubiertos que en su opinión deberían estar cubiertos por nuestro plan, llame al Departamento de Membresía al 1-800-838-8271, (TTY: 711). Del 1 de octubre al 31 de marzo: lunes a domingo, de 6:00 a.m. a 8:00 p.m. PST. Del 1 de abril al 30 de septiembre: lunes a viernes, de 6:00 a.m. a 8:00 p.m. PST. Le pediremos que nos envíe la factura para que podamos procesarla y determinar el monto que le corresponde pagar a usted, si hay alguno. Si ya pagó alguna atención médica que cubrimos, le reembolsaremos nuestra parte del costo.

¿Cómo obtener servicios cubiertos cuando tiene una emergencia?

Una "emergencia médica" es cuando usted cree que su salud está en peligro grave. Una emergencia médica puede incluir dolor intenso, una lesión grave, una enfermedad repentina o una afección que se agrava rápidamente.

Si tiene una emergencia médica:

Busque ayuda lo más rápido posible. Llame al 911 para pedir ayuda o acuda a la sala de emergencias, hospital o centro de atención urgente. Pida una ambulancia por teléfono si la necesita. No es necesario que primero obtenga autorización o una remisión del PCP.

Tan pronto como sea posible, asegúrese de avisar al plan acerca de la emergencia. Necesitamos darle seguimiento a la atención de emergencia que reciba. Usted u otra persona deberá llamarnos para informarnos sobre su atención de emergencia, generalmente en un plazo de 48 horas. Consulte la información proporcionada al reverso de su tarjeta de membresía para instrucciones específicas y números telefónicos que llamar.

Una vez que finaliza la emergencia, usted tiene derecho a recibir atención de seguimiento para garantizar que siga estando estable. Nuestro plan cubrirá la atención de seguimiento. Si recibe atención de emergencia por parte de proveedores fuera de la red, trataremos de que los proveedores de la red se hagan cargo de su atención tan pronto como su afección y las circunstancias lo permitan.

¿Cómo obtener atención de urgencia?

La "atención de urgencia" se refiere a una situación que no es de emergencia cuando:

Usted necesita atención médica de inmediato debido a una enfermedad, lesión o afección imprevista, pero su salud no está en grave peligro. Debido a la situación, no es razonable que usted obtenga atención médica de un proveedor de la red.

Siempre que sea posible, usted debe acudir a los proveedores de nuestra red si está en el área de servicio del plan y tiene una necesidad urgente de atención médica. En la mayoría de las situaciones, si está en el área de servicio del plan, cubriremos la atención de urgencia solo si obtiene esta atención de parte de un proveedor de la red. Bajo circunstancias anormales o extraordinarias, cuando los proveedores de la red se encuentran temporalmente indisponibles o inaccesibles, nuestro plan cubrirá la atención de urgencia que obtiene de un proveedor no de la red.

Supongamos que usted está temporalmente fuera del área de servicio del plan, pero está todavía en Estados Unidos. Si tiene una necesidad urgente de atención médica, lo más probable es que no podrá encontrar ni llegar al consultorio de uno de los proveedores en nuestra red. En esta situación (en la que usted está fuera del área de servicio y no puede

obtener atención de un proveedor de la red), nuestro plan cubrirá la atención de urgencia que obtiene a través de cualquier proveedor.

¿Dónde están ubicados los proveedores de Imperial Insurance Companies, Inc.?

Este directorio cubre los siguientes condados en el área de servicio de Imperial Insurance Company:

¿Cómo encontrar a los proveedores de Imperial Insurance Companies, Inc. en su área?

Los PCP en este directorio están organizados alfabéticamente por las ciudades en las que residen, y luego dentro de cada ciudad aparecen en orden alfabético según su apellido. Al buscar la ciudad en la que usted reside, podrá encontrar los médicos de su área.

Los proveedores de atención especializada (especialistas) están organizadas alfabéticamente por los grupos de especialidad a los cuales pertenecen. Si hay un especialista del plan en particular que usted desee consultar, verifique primero que sus PCP hace remisiones a este especialista. Su elección de PCP podría restringirle a un grupo específico de especialistas.

Si tiene preguntas sobre Imperial Insurance Companies o necesita ayuda para elegir un PCP, llame a nuestro Departamento de Membresía al 1-800-838-8271, (TTY: 711), del 1 de octubre al 31 de marzo: lunes a domingo, de 6:00 a.m. a 8:00 p.m. PST, o del 1 de abril al 30 de septiembre: lunes a viernes, de 6:00 a.m. a 8:00 p.m. PST.

2021 Pharmacy Directory

This pharmacy directory was updated on 09/2020. For more recent information or other questions, please contact Imperial Insurance Companies, Inc. (HMO) (HMO SNP), at 1-800-838-8271 or, for TTY users, 711, October 1 – March 31: Monday – Sunday, from 6:00 a.m. – 8:00 p.m. PST or April 1 – September 30: Monday – Friday, from 6:00 a.m. – 8:00 p.m. PST, or visit www.imperialhealthplan.com.

Changes to our pharmacy network may occur during the benefit year. An updated Pharmacy Directory is located on our website at www.imperialhealthplan.com. You may also call Member Services for updated provider information. We strongly suggest that you review our current Pharmacy Directory to see if your pharmacy is still in our network.

Introduction

This booklet provides a list of our plan's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Imperial Insurance Companies formulary.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under our plan only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 09/2020. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program. For more information, please contact us or see the mail order section of this pharmacy directory.

This directory is for the Southwest region which includes the area in which you live. However, we cover a larger service area, and there are more pharmacies where your prescriptions may be covered by our plan. For information on more pharmacies in our plan network not listed in this directory contact Member Services, at 1-800-838-8271 or, for TTY users, 711 October 1 – March 31: Monday – Sunday, from 6:00 a.m. – 8:00 p.m. PST or April 1 – September 30: Monday – Friday, from 6:00 a.m. – 8:00 p.m. PST.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

Directorio de farmacias para 2021

Este Directorio de farmacias se actualizó en 09/2020. Para obtener información más reciente o si tiene otras preguntas, comuníquese con Imperial Insurance Companies, Inc. (HMO) (HMO SNP), al 1-800-838-8271 o, para los usuarios de TTY, al 711, del 1 de octubre al 31 de marzo: lunes a domingo, de 6:00 a.m. a 8:00 p.m. PST o del 1 de abril al 30 de septiembre: lunes a viernes, de 6:00 a.m. a 8:00 p.m. PST, o visite www.imperialhealthplan.com.

Se pueden producir cambios en nuestra red de farmacias durante el año de beneficios. En nuestro sitio web www.imperialhealthplan.com se encuentra disponible un Directorio de farmacias actualizado. Para obtener información actualizada sobre los proveedores, también puede llamar a Servicios para los miembros. Sugerimos enfáticamente que revise nuestro Directorio de farmacias actual para ver si su farmacia todavía está en nuestra red.

Introducción

Este folleto ofrece una lista de las farmacias de la red de nuestro plan. Si desea una descripción completa de su cobertura para medicamentos con receta y cómo obtenerlos, consulte la Evidencia de cobertura y el Formulario de Imperial Health Plan.

Las farmacias que figuran en esta lista son las “farmacias de la red”, ya que hemos acordado con ellas el suministro de medicamentos con receta para los miembros del plan. En la mayoría de los casos, sus medicamentos con receta están cubiertos por nuestro plan solo si los obtiene en una farmacia de la red o a través de nuestro servicio de farmacias de pedido por correo. Una vez que acuda a una farmacia, no es necesario que continúe acudiendo a la misma farmacia para obtener su medicamento con receta, sino que puede cambiar a cualquiera de nuestras farmacias de la red. Puede obtener sus medicamentos con receta en farmacias fuera de la red solo en ciertas circunstancias contempladas en su Evidencia de cobertura.

Es posible que no todas las farmacias de la red se encuentren en este directorio. Tal vez se hayan agregado o eliminado algunas farmacias de la lista después de la impresión de este directorio. Esto quiere decir que es posible que las farmacias enumeradas aquí ya no sean parte de nuestra red, o que puede haber farmacias más nuevas en nuestra red que no figuren en la lista. Esta lista está vigente a partir de 09/2020. Para obtener la lista más actualizada, comuníquese con nosotros. Nuestra información de contacto aparece en las páginas de la portada y la portada posterior.

Puede pedir que le envíen los medicamentos con receta a su hogar a través del programa de entrega de pedido por correo de nuestra red. Para obtener más información, comuníquese con nosotros o consulte la sección de pedido por correo de este Directorio de farmacias.

Este directorio es para la región Southwest, que incluye el área en la que vive. Sin embargo, cubrimos un área de servicio más grande y hay más farmacias en las que nuestro plan puede cubrir sus recetas. Para obtener información sobre más farmacias en la red de nuestro plan que no figuran en este directorio, comuníquese con Servicios para Miembros al 1-800-838-8271 o, para usuarios de TTY, al 711 del 1 de octubre al 31 de marzo: lunes a domingo, de 6:00 a.m. a 8:00 p.m. PST o del 1 de abril al 30 de septiembre: lunes a viernes, de 6:00 a.m. a 8:00 p.m. PST.

Si tiene alguna pregunta sobre lo anterior, consulte la primera y última página de portada de este Directorio para obtener información sobre cómo comunicarse con nosotros.
