INDIVIDUAL AND FAMILY EXPLANATION OF COVERAGE POLICY

This **Policy** is by and between Imperial Insurance Companies, Inc. (Imperial, the Plan, **we**, **us**, or **our**) and the subscriber (**you**, **your**).

Coverage starts on **your effective date of coverage** and continues until it ends as described in this **Policy**.

Your Policy provides coverage for services and supplies that are **covered benefits**. It describes **your** coverage only. **You** may get health care services or **prescription drugs** that might not be **covered benefits** under **your Policy**. Please read **your Policy** and the Schedule of Benefits because they explain **your** benefits in detail.

This **Policy** is provided by Imperial, a Texas domiciled health maintenance organization admitted as a health care services organization in Arizona and is governed by federal law and the laws of Arizona, including Arizona Revised Statutes Title 20 (Insurance), et seq.

Read Your Policy Carefully

Your Policy is a legal contract between **you** and **us**. **We** agree to cover **you** under this **Policy** in return for **your premium** payments. **We** will pay eligible **covered benefits** while this **Policy** is in effect and after the **Policy** conditions are met.

Right To Examine The Policy

You have 10 days after **you** receive this **Policy** to read and review it. During that 10-day period, if **you** decide **you** do not want coverage described in the **Policy**, **you** may return it to **us** or to the agent who sold it to **you**. As soon as it is returned, this **Policy** will be void from the beginning. **Premiums** paid will be refunded.

Guaranteed Renewable

You can renew this **Policy** each year ("guaranteed renewable"). **We** decide the **premium** rates. But, **we** may decide not to renew the **Policy** under certain conditions, which are explained in this **Policy**, or when required by law. See *Section 10 – When Coverage Ends,* page 65 of the **Policy** for more information.

You may keep this **Policy** in effect by meeting the **Policy** requirements and by paying the **premium** on time. See the *Section 2 - What Does The **Policy** Cost **You**?,* page 7 of the **Policy** for more information.

Your Application

By applying for coverage under this **Policy**, or accepting its benefits, **you** (or the person acting for **you**) represent that all information in **your** application and statements given as part of **your** application for this **Policy** are true, correct and complete, to the best of **your** knowledge and belief; and **you** agree to all terms, conditions and provisions of the **Policy**.

It is **your** responsibility to make sure the application that **you** submitted is accurate and complete. It is important that **you** notify the Health Insurance Marketplace ("Marketplace") or the Plan immediately of any mistakes that **you** find in **your** application.

If **we** learn that **you** defrauded **us** or **you** intentionally misrepresented material facts when **you** gave information and answers in the application, or in the application process, **we** reserve the right to cancel the **Policy** and report fraud to criminal authorities. Please read the *Honest Mistakes And Intentional Deception* section on page 68 of this **Policy** for more information.

WELCOME

This is **your Policy**. It is one of four documents that together describe the benefits **you** have and the terms of this **Policy.**

This **Policy** will tell **you** about **your covered benefits** – what they are and how **you** get them. The second document is the Schedule of Benefits. It tells **you** how **we** share expenses for **eligible health services** and tells **you** about limits – like when **your Policy** covers only a certain number of visits.

This **Policy** is provided following **your** application for coverage. Coverage under this **Policy** is subject to any conditions and rights as set forth in this **Policy** and by the Marketplace and/or the Federal Department of Health and Human Services and the State of Arizona. Individuals covered under this **Policy** agree to all its requirements.

Sometimes, these documents have amendments, inserts or riders which **we** will send **you**. These documents change and/or add to the **Policy**. When **you** receive these, they are considered part of **your Policy**.

The **Policy**, applications, if any, and any attachments constitute the entire agreement between the parties and that, to be valid, any change in the form must be approved by an officer of the Plan and attached to the affected form. No agent has the authority to change the form or waive any of the provisions.

Where to next? Try the *Section 1 - Introduction to **Your** Plan*, page 4. It gives **you** a summary of how **your Policy** works. The more **you** understand, the more **you** can get out of **your Policy**.

Welcome to **Imperial** .

SECTION 1 – INTRODUCTION TO YOUR PLAN

Here are some basics. Please see below on how **we** use defined terms. Then **we** explain how **your Policy** works so **you** can get the most out of **your** coverage. But for all the details – this is very important – **you** need to read this entire **Policy** and the Schedule of Benefits. If **you** need assistance or more information, please reach out to **us**.

How We Use Defined Terms

- When **we** say "**you**" and "**your**", **we** mean **you** as the subscriber and any covered dependents if dependent coverage is available under the **Policy**.
- When **we** say "**us**", "**we**", and "**our**", **we** mean Imperial Insurance Companies, Inc.
- Some words appear in **bold** type. **We** define them in *Section 12 – Definitions*, page 70.

Sometimes **we** use technical medical language that is familiar to medical **providers**.

What Is Your Policy? – Provides Covered Benefits

Your Policy provides **covered benefits**. Benefits are provided for **eligible health services**. **Your Policy** has an obligation to pay for **eligible health services**.

How Does Your Policy Work? – Starts And Stops Coverage

Coverage under the **Policy** has a start and an end. First, **you** complete the eligibility and application process. Then the **Policy** is issued. **Your** coverage starts on the subscriber's **effective date of coverage** or later if **you** are a dependent that was added to coverage. Coverage is not provided for any services received before coverage starts or after coverage ends.

Dependent coverage starts on the subscriber's **effective date of coverage** if the subscriber enrolled them at that time. See the *Effective Date Of Coverage For **Your** Dependent* on page 12 for details.

Your coverage typically ends when **you** stop paying **your premium**. A covered dependent can lose coverage for many reasons, such as growing up and leaving home. To learn more, see *Section 10 – When Coverage Ends*, page 65.

Ending coverage under the **Policy** does not necessarily mean **you** lose coverage with **us**.

How Does Your Policy Work While You Are Covered?

Your coverage:

- Helps **you** get and pay for a lot of – but not all – health care services. Benefits are provided for **eligible health services.**
- Generally, we will pay only when **you** get care from **network providers**.

1. **Eligible health services**
   Doctor and **hospital** services are the base for many other services. **You** will typically find preventive care and wellness, **emergency services,** and **urgent condition** coverage especially important. But the **Policy** will not always cover the services **you** want. Sometimes it does not cover health care services **your**

doctor will want **you** to have.

What are **eligible health services**? They are health care services that meet these three requirements:

- They appear in *Section 5 – Coverages* beginning on page 15.
- They are not listed in *Section 6 -General Exclusion* beginning on page 51.
- They fall within the benefit limits stated in the Schedule of Benefits.

2. Providers

Our network of doctors, **hospitals,** and other health care **providers** is there to give **you** the care **you** need. **You** can find **network providers** and see important information about them most easily on **our** online **provider directory**.

Visit **our** website at www.Imperialhealthplan.com. See the *How To Contact **Us** For Help* section on page 6.

You choose a **primary care physician** (**we** call that doctor **your PCP**) to oversee **your** care. **Your PCP** will provide **your** routine care and send **you** to other **providers** when **you** need specialized care. **You** may also go directly to a network obstetrician (OB), gynecologist (GYN), or OB/GYN for **eligible health services.**

For more information about the network and the role of **your PCP**, see *Section 7 – Who Provides The Care*, page 57 in **your Policy**.

3. Service area

Your Policy generally pays for **eligible health services** only within a specific geographic area, called a **service area**. The **service area** of this **Policy** includes Gila, Graham, La Paz, Maricopa, Navajo, Pima, Pinal, Santa Cruz, Yavapai, and Yuma Counties. **You** must reside in the service area. There are some exceptions, such as for **emergency services** and urgent care. See *Section 7 – Who Provides The Care*, page 57 in **your Policy**.

IMPORTANT NOTE:
If **you** have a dependent and the dependent moves outside of the **service area**, the dependent's coverage outside of the **service area** will be limited to emergency and **urgent conditions** for both medical and **pharmacy** services.

4. Paying for eligible health services– the general requirements

There are several general requirements for the **Policy** to pay any part of the expense for an **eligible health service**. They are:

- The eligible health service is **medically necessary**
- **You** get **your** care from:
  - **Your PCP**
  - Another **network provider**
- **You** or **your provider preauthorizes** the **eligible health service** when required

You will find details on **medical necessity**, **referral** and **preauthorization** requirements in *Section 4 – Medical Necessity, Referral And Preauthorization Requirements*, page 13. **You** will find the requirement

to use a **network provider**, any exceptions, and other information in *Section 7 – Who Provides The Care*, page 57.

5. **Paying for eligible health services – sharing the expense**
   Generally, **your Policy** and **you** will share the expense of **your eligible health services** when **you** meet the general requirements for paying.

   But sometimes **your Policy** will pay the entire expense; and sometimes **you** will. For more information see the Schedule of Benefits and *Section 8 – What The **Policy** Pays And What **You** Pay*, page 61 in **your Policy**.

Inform The Marketplace or the Plan Of Any Changes

If there are any changes which will affect **your Policy** or the eligibility of anyone covered under the **Policy**, **you** must contact the Marketplace or the Plan as soon as possible. This may include changes in:

- Primary address
- Phone number
- Marital status, civil union parentship or domestic partnership changes
- Dependent status
- **You** or **your** covered dependent get health coverage through a job-based plan or a program like Medicare, Medicaid or the Children's Health Insurance Program (CHIP)

It is important that **you** inform the Marketplace or the Plan within 31 days of the date of any change. **Your** primary address is where **you** spend 6 months or more per **calendar year**. This may also be called **your** "home address".

See the *Special Or Limited Enrollment Periods* section on page 10 in **your Policy** section for information on special or limited enrollment periods.

SECTION 2 – WHAT DOES THE POLICY COST YOU?

Premium Payment

This **Policy** requires **you** to make **premium** payments. **We** will not pay benefits under this **Policy** for services obtained after coverage ends if **premium** payments are not made by the end of the grace period. Any benefit payment denial is subject to **our** appeals procedure. See the attached Health Care Insurer Appeals Process and *Section 9 – When **You** Disagree – Complaint Decisions And Appeal Procedures*, page 63 section of this **Policy**.

The first **premium** payment is due on or before **your effective date of coverage**. When **we** calculate the **premium you** owe, **we** use **our** records to determine who is covered under the **Policy**. **You** owe the **premium** for each person covered under the **Policy** starting with the first **premium** due date on or after the day the person's coverage starts. **You** stop paying the **premium** as of the first **premium** due date on or after the day the person's coverage ends.

After **your** first **premium** payment is made, the **premium** payments are due on the 1st or 15th of each month based on **your effective date of coverage**. Each **premium** payment is to be paid to **us** on or before the due date. **Your premium** becomes overdue after the last day of the **premium** period.

We provide this **Policy** to **you,** and **you** pay the **premium** to **us**. **We** may choose not to accept the **premium** that is paid for **you** by someone else unless **we** are required to by **applicable law**.

Grace Period

You have a grace period of 30 days after the due date for the payment of each **premium** due after the first **premium** payment. If **premiums** are not paid by the end of the grace period, **your** coverage will automatically terminate at the last date for which the premium was paid, or as of the date required by **applicable law**.

We have the right to require the return of any payments for claims paid during the grace period for which the **premium** was not received.

IMPORTANT NOTE:
If **you** are currently getting advanced payments of the **premium** tax credit, as determined by the Marketplace, the grace period above does not apply to **you**. Instead, the following applies to **you**.

If **you** are getting advance payment of the **premium** tax credit now, and **you** have paid at least one full month's **premium** as **your** binder payment, when applicable:

- **You** will have a grace period of three months
- **Your** coverage will not end during the grace period

If **you** receive services during the second and third months of the grace period:

- **We** may wait to pay claims until the **premium** is paid
- **We** will tell **you** and **your providers** that **you** are within **your** grace period**.**

If **premium** is not paid by the end of the three-month period:

- **Your** coverage may end

- **Your** coverage will end on the last day of the first month of the grace period
- **We** may take back payment for any claims paid during the second and third months of the grace period

Reinstatement

We can end this **Policy** because **you** have not paid **your premium.** If this happens, **we** can reactivate ("reinstate") the **Policy** without a break in coverage. **You** must ask **us** to do so within 30 days of the **Policy** end date. However, **you** must first pay **us** the total **premium you** already owe plus the new **premium**. **We** reserve the right to not reinstate the **Policy**.

Premium Agreement

Your premium rate will not change during the **Policy** term so long as there are no changes to this **Policy**. Changes may include, but are not limited to, the area **you** reside in, and/or the benefit plan or adding dependents to the **Policy**.

Your premium rate is based on factors such as:

- The plan in which **you** are enrolled
- **Your** age and the ages of covered dependents
- The number of covered persons
- Tobacco use
- Where **you** reside (primary address)

Each **premium** will be based on the rates that apply on that **premium** due date.

In the event of any changes in **premium** rates, payment of the **premium** by **you** means that **you** accept the **premium** changes.

SECTION 3 – WHO THE POLICY COVERS

You will find information in this section about:

- Who is eligible
- Who can be on **your Policy** (who can be **your** dependent)
- Special or limited enrollment periods
- Adding new dependents
- **Effective date of coverage** for **your** dependent

You may enroll the following family members on **your Policy**. They are **your** "dependents":

- **Your** legal spouse
- **Your** civil union partner who meets eligibility requirements under **applicable law**
- **Your** domestic partner who meets eligibility requirements under **applicable law**.
- **Your** dependent children – **your** own or those of **your** spouse ,domestic partner or civil union partner

  The children must be under 26 years of age, unless reliant on the parent due to physical or mental impairment, and they include **your**:
  - Biological children
  - Stepchildren
  - Legally adopted children*, including children placed with **you** for adoption
  - Foster children
  - Children **you** are responsible for under a qualified medical or dental support order or court-order (whether or not the child resides with **you**)

  ***Your** adopted child may be enrolled as shown in the *Adding New Dependents* section on page 11 of **your Policy** at **your** option, after the date:
    - **You** become a party in a suit for adoption, or
    - The adoption becomes final

You can enroll **your** dependent:

- At initial enrollment
- At other special times during the year as listed below

Special Or Limited Enrollment Periods

Federal law allows **you** and **your** dependents to enroll in a new **Policy** under some circumstances. These are called special or limited enrollment periods. **You** can enroll in these situations when:

- **You** or **your** dependent have lost minimum essential coverage.
- **You** have added a dependent because of marriage, birth, adoption or foster care. See the
  - *Adding New Dependents* section (below) on page 11 for more information.
- **You** or **your** dependent are enrolled in any non-**calendar year** group health plan or individual health insurance coverage.
- **You** or **your** dependent's enrollment or non-enrollment in a plan through the Marketplace or the Plan was unintended, was by accident or a mistake, and is due to an error, false information or delay by the Marketplace or the Plan.
- **You** or **your** dependent have proven to the Marketplace or the Plan that its plan did not honor or maintain an important provision of its contract with **you** or that **you** meet other unusual circumstances.
- **You** did not enroll a dependent in this **Policy** before because the dependent had other coverage and now that other coverage has ended.
- A court orders **you** to cover a current spouse, civil union partner, domestic partner, or a child on **your** health **Policy**.
- **You** or **your** dependent are newly eligible or not eligible for the **premium** tax credit or change in eligibility for cost share reduction, for Marketplace coverage.
- **You** or **your** dependent are eligible for new plans because **you** have moved to a new permanent location.
- **You** or **your** dependent are the victim of domestic abuse or spousal abandonment.
- **You** or **your** dependent become a citizen, a national or lawfully present in the United States.
- **You** are an American Indian or Alaska Native as defined by the Indian Health Care Improvement Act. In this situation:
  - **You**, or **you** and **your** dependents, may enroll in a Qualified Health Plan (QHP) or change from one QHP to another.
  - **You** can do this one time per month.
- **You** or **your** dependent become eligible for State **premium** assistance under Medicaid or an S-CHIP plan for the payment of **your premium** contribution for coverage under this plan.
- **You** or **your** dependent lose **your** eligibility for enrollment in Medicaid or an S-CHIP plan.

The Marketplace or the Plan must receive the completed enrollment information from **you** within 31 days of the event or the date on which **you** or **your** dependent no longer has the other coverage mentioned above. However, the completed enrollment form may be submitted within 60 days of the event when:

- **You** or **your** dependent loses minimum essential coverage
- **You** or **your** dependent are newly eligible or not eligible for the **premium** tax credit, in some cases, or change in eligibility for cost share reduction, for Marketplace coverage
- **You** or **your** dependent have access to new plans because **you** have moved to a new permanent location and either:

- Had minimum essential coverage for at least one day during the 60 days before the date of the move
- Lived outside the Unites States or a Unites States' territory at the time of the move

Adding New Dependents

You can add the following new dependents to **your Policy**:

  - **You** must still enroll the child within 60 days of birth even when coverage does not require payment of an additional **premium** for the covered dependent
  - If **you** miss this deadline, **your** newborn will not have benefits after the first 60 days
- An adopted child – **You** may put an adopted child on **your Policy** when **you** become a party in a suit for adoption, the adoption is complete or the date the child is placed for adoption. "Placed for adoption" means the assumption and retention of a legal obligation for total or partial support of a child in anticipation of adoption of the child:
  - The Marketplace or the Plan must receive **your** completed enrollment information within 60 days after **you** become a party in a suit for adoption, the date of the adoption or the date the child was placed for adoption
  - Benefits for **your** adopted child will begin on the date of the adoption (or placement) or the first day of the month following adoption (or placement)
- A foster child – **You** may put a foster child on **your Policy** when the child is placed within **your** foster care. A foster child is a child whose care, comfort, education and upbringing are left to persons other than the natural parents:

Your dependent's coverage will start on **your effective date of coverage**, if **you** enrolled the dependent at that time, otherwise:

- As shown above under the *Adding New Dependents* section on page 11
- No later than the first day of the following month if completed enrollment information is received by the 15th of the month
- No later than the first day of the second month if completed enrollment information is received between the 16th and the last day of the month
- In accordance with the effective date of a court order
- An appropriate date based on the circumstances of the special enrollment period

SECTION 4 – MEDICAL NECESSITY, REFERRAL, AND PREAUTHORIZATION REQUIREMENTS

The starting point for **covered benefits** under **your Policy** is whether the services and supplies are **eligible health services**. See *Section 5 – Coverages*, page 15, and *Section 6 – General Exclusions*, page 51 in **your Policy** plus the Schedule of Benefits.

Your Policy pays for its share of the expense for **eligible health services** only if the general requirements are met. They are:

- The **eligible health service** is **medically necessary**
- **You** get **your** care from:
  - **Your PCP**
  - Another **network provider** after **you** get a **referra**l from **your PCP**
- **You** or **your provider preauthorizes** the **eligible health service** when required

That means **Your Policy** does not pay for its share of the expense for health services provided from an Out-of-Network Provider except:

- Services for Stabilization and initial treatment of an Emergency Medical Condition, or
- Medically Necessary services that are not available through an In-Network Provider.

This section addresses the **medical necessity**, **referral** and **preauthorization** requirements. **You** will find the requirement to use a **network provider** and any exceptions to this in *Section 7 - Who Provides The Care*, page 57 in **your Policy**

Medically Necessary; Medical Necessity

As stated in *Section 1 - Introduction to **Your** Plan*, **medical necessity** is a requirement for **you** to receive **eligible health services** under this **Policy**.

The **medical necessity** requirements are in Section 12 – Definitions, page 70 in **your Policy**, where **we** define "**medically necessary, medical necessity**". That is where **we** also explain what **our** medical directors, or a **physician** they assign, consider when determining if an **eligible health service** is **medically necessary**.

Referrals

You need a **referral** from **your PCP** for most **eligible health services**. If **you** do not have a **referral** when required, **we** will not pay the **provider**. Refer to *Section 8 – What The **Policy** Pays And What **You** Pay*, page 61 in **your Policy**.

Preauthorization

You need pre-approval from **us** for some **eligible health services**. Pre-approval is also called preauthorization**.**

Your physician or **PCP** is responsible for obtaining any necessary **preauthorization** before **you** get the care.

A preauthorization may not be required if **your** provider meets the requirements of prior preauthorization approvals. Please contact **your** physician or **us** for additional information.

For **preauthorization** of outpatient **prescription drugs**, see *Prescription Drugs/Medications – What Preauthorization Requirements Apply* section on page 49. If **your physician** or **PCP** does not get a required **preauthorization**, **we** will not pay the **provider** who gives **you** the care. **You** will not have to pay either if **your physician** or **PCP** fails to ask **us** for **preauthorization**. If **your physician** or **PCP** requests **preauthorization** and **we** refuse it, **You** have the right to appeal this decision- see the attached Health Care Insurer Appeals Process, which is included at the end of this EOC.

Your physician or PCP may request a renewal of an existing preauthorization within 60 days of the expiration date of the preauthorization. **We** will notify **you** of **our** decision before the expiration of the existing preauthorization.

Sometimes **you** or **your provider** may want **us** to review a service that does not require **preauthorization** before **you** get care. This is called a predetermination and is different from **preauthorization**. Predetermination means that **you** or **your provider** requests the pre-service clinical review of a service that does not require **preauthorization**.

Please see the Health Care Insurer Appeals Process, which is included at the end of this EOC and *Section 9 – When **You** Disagree – Complaint Decisions And Appeal Procedures*, page 63 for more information on **your** appeals rights.

SECTION 5 – COVERAGES

The information in this section is the first step to understanding **your Policy's eligible health services**. If **you** have questions about this section, see the *How To Contact **Us** For Help* section on page 6 in **your Policy**.

Your Policy covers many kinds of health care services and supplies, such as **physician** care and **hospital stays**. But sometimes these services are not covered at all or are covered only up to a limit.

For example:

- **Physician** care generally is covered but **physician** care for **cosmetic surgery** is never covered. This is an exclusion.
- Home health care is generally covered but it is a **covered benefit** only up to a set number of visits a year. This is a limitation.

You can find out about general **Policy** exclusions in *Section 6 – General Exclusions*, page 51 in **your Policy** and about limitations in the Schedule of Benefits.

We have grouped the **eligible health services** below to make it easier for **you** to find what **you** are looking for.

IMPORTANT NOTE:
Sex-specific **eligible health services** are covered when medically appropriate, regardless of identified gender.

1. Preventive Care And Wellness

This section describes the **eligible health services** and supplies available under **your Policy** when **you** are well.

Teledentistry Services
Teledentistry services are dental services delivered by a dentist acting within the scope of the dentist's license, or by a health professional acting under the dentist's delegation and supervision and within the scope of the health professional's license or certification.

Teledentistry services use telecommunications and information technology to deliver the services to an Enrollee in one physical location while the dentist or health professional is located in a different physical location.

We cover Teledentistry services the same as services provided in an in-office visit.

- They are not listed in *Section 6 – General Exclusions* beginning on page 51
- They are not beyond any limits in the Schedule of Benefits

Your pharmacy services are covered when **you** follow the **Policy**'s general rules:

- **You** need a **prescription** from **your prescriber**.
- **Your** drug needs to be **medically necessary**. See *Section 4 - Medical Necessity, Referral And Preauthorization Requirements*, page 13.
- **You** need to show **your** ID card to the **pharmacy** when **you** get a **prescription** filled.

We base **your prescription** drug plan on drugs listed in the **drug guide**. **We** exclude **prescription** drugs not in the **drug guide** unless **we** approve a medical exception request. Any prescription drug approved or covered under the plan for a medical condition or mental illness and has been removed from the drug guide before **your** plan renewal will be covered at the contracted benefit level until the plan's renewal date. **Our** Pharmacy & Therapeutics (P&T) Committee meets no less than quarterly to review existing therapeutic classes as well as new drugs to the market. The P&T Committee's clinical decisions are based on scientific evidence, standards of practice, peer-reviewed medical literature, accepted clinical practice guidelines, and other sources of appropriate information. If it is **medically necessary** for **you** to use a **prescription** drug that is not on this **drug guide**, **you** or **your provider** must request a medical exception. See the *How to Request A Medical Exception* section on page 65 for more information.

Prescription Drugs covered by this Policy are subject to misuse, waste and/or abuse utilization review by **us**, **your provider** and/or **your network pharmacy**. The outcome of this review may include:

- Limiting coverage of the applicable drugs to one prescribing **provider** and/or one **network pharmacy**
- Limiting the quantity, dosage or day supply
- Requiring a partial fill or denial of coverage

Your prescriber may give **you** a **prescription** in different ways, including:

- Writing out a **prescription** that **you** then take to a **network pharmacy**
- Calling or e-mailing a **network pharmacy** to order the medication
- Submitting **your prescription** electronically

Once **you** receive a **prescription** from **your prescriber**, **you** may fill the **prescription** at a network **retail**, **mail order** or **specialty pharmacy**.

Partial Fill Dispensing For Certain Prescription Drugs

We allow a partial fill of **your prescription** if:

- **Your pharmacy** or **prescriber** tells **us** that:
  - The quantity requested is to synchronize the dates that the **pharmacy** fills **your prescription drugs**
  - The synchronization of the dates is in **your** best interest
- **You** agree to the synchronization

Your out-of-pocket expenses will be prorated based on the number of days' supply.

Retail Pharmacy

Generally, **retail pharmacies** may be used for up to a 30-day supply of **prescription drugs**. **You** should show

your ID card to the **network pharmacy** every time **you** get a **prescription** filled. The **network pharmacy** will submit **your** claim. **You** will pay any cost sharing directly to the **network pharmacy**.

You do not have to complete or submit claim forms. The **network pharmacy** will take care of claim submission.

All **prescriptions** and refills over a 30-day supply must be filled at a network **mail order pharmacy**.

See the Schedule of Benefits for details on supply limits and cost sharing.

Mail Order Pharmacy

Generally, the drugs available through mail order are maintenance drugs that **you** take on a regular basis for a chronic or long-term medical condition.

Specialty Pharmacy

Specialty prescription drugs are covered when dispensed through a network **specialty pharmacy**.

Specialty Prescription Drugs typically include high-cost drugs that require special handling, special storage or monitoring and include but are not limited to oral, topical, inhaled and injected ways of giving them. See the *How To Contact **Us** For Help* section on page 6 in **your Policy** for how to access the list of **specialty prescription drugs**.

All **specialty prescription drug** fills must be filled at a network **specialty pharmacy** unless it is an urgent situation.

Specialty Prescription Drugs may fall under various drug tiers regardless of their names. See the Schedule of Benefits for details on supply limits and cost sharing.

Except as stated below, if You redeem a coupon or other offer from a pharmaceutical manufacturer for a Prescription Drug or Related Supply covered under this Policy, we may not allow the dollar value of the coupon, or other offer to reduce any applicable **deductibles**, **maximum out-of-pocket limit**, **copayment** or **coinsurance**. We have the right to determine the amount and duration of any reduction, coupon or financial incentive available for any specific drug covered under this Policy.

If **You** redeem a coupon or other offer for Brand Name Drugs that do not have a Generic equivalent or drugs obtained through Prior Authorization, Step Therapy or an exceptions and appeals process covered under this Policy, we will allow the dollar value of the coupon, or other offer to reduce any applicable **deductibles**, **maximum out-of-pocket limit**, **copayment** or **coinsurance**.

How You Get An Emergency Prescription Filled

You may not have access to a **network pharmacy** in an emergency or urgent care situation, or **you** may be traveling outside of the **Policy**'s **service area**. If **you** must fill a **prescription** in either situation, **we** will reimburse **you** as shown in the table below.

Type Of Pharmacy	Your Cost Share
Network pharmacy	• **You** pay the **copayment**.
Type Of Pharmacy	**Your Cost Share**
Out-of-Network pharmacy	• **You** pay the **pharmacy** directly for the cost of the **prescription**. Then **you** fill out and send a **prescription drug** refund form to **us**, including all itemized **pharmacy** receipts. • Coverage is limited to items obtained in connection with covered emergency and out-of-area urgent care services. • Submission of a claim does not guarantee payment. If **your** claim is approved, **you** will be reimbursed the cost of **your prescription** less **your network copayment**.

Where Your Schedule of Benefits Fits In

You are responsible for paying **your** part of the cost sharing. The Schedule of Benefits shows any benefit limitations and any out-of-pocket costs **you** are responsible for. Keep in mind that **you** are responsible for costs not covered under this **Policy**.

Your prescription drug costs are based on:

- The type of **prescription you** use
- Where **you** fill **your prescription**

The **Policy** may, in certain circumstances, make some **preferred brand-name prescription drugs** available to members at the generic **copayment** level.

What Preauthorization Requirements Apply

Why Some Drugs Need Preauthorization

For certain drugs, **you**, **your prescriber** or **your** pharmacist needs to get approval from **us** before **we** will cover the drug. This is called "**preauthorization.**" The requirement for getting approval in advance guides appropriate use of preauthorized drugs and makes sure they are **medically necessary**. For the most up-to-date information, call **us** or go online. See the *How To Contact **Us** For Help* section on page 6 in **your Policy**

for details.

There is another type of **preauthorization** for **prescription drugs**, and that is **step therapy**. **Step therapy** will not apply to **prescription drugs** used for the treatment of stage –four advanced, metastatic cancer or associated conditions. **You** will find the **step therapy prescription drugs** on the **drug guide**. For the most up-to-date information, call **us** or go online. See the *How To Contact **Us** For Help* section on page 6 in **your Policy** fordetails.

How To Request A Medical Exception

Sometimes **you** or **your provider** may ask for a **medical** exception for drugs that are not covered. **You**, someone who represents **you**, or **your provider** can contact **us**. **You** will need to provide **us** with the required clinical documentation. Any exception granted is based upon an individual and is a case-by-case decision. For directions on how **you** can submit a request for a review:

- Call **us** or contact **us** through **our** website at www.Imperialhealthplan.com. For details, see the *Contact **Us** For Help* section on page 6 in **your Policy**.

You, someone who represents **you**, or **your provider** may seek a quicker **medical** exception when the situation is urgent. It is an urgent situation when **you** have a health condition that may seriously affect **your** life, health, or ability to get back maximum function. It can also be when **you** are going through a current course of treatment using a non-covered drug. A formulary exception request for a drug that is not listed in the **drug guide** is an adverse determination and **you** can have the adverse determination reviewed as an appeal of an adverse determination including an expedited appeal. See the attached Health Care Insurer Appeals Process.

IMPORTANT NOTES:

- If **we** make a prescription drug formulary change that removes or restricts a drug, **you** will be notified at least 60 days prior to the change.
- **We** will respond to the Medical Exception request within 72 hours of receiving the request and clinical documentation, except in the case of urgent requests, which will be responded to within 24 hours of receiving the request and clinical documentation.
- If **your** request is denied, **you** and **your provider** will receive notice in writing with medical/pharmacological reasoning, and information about appealing this decision.
- If **your** request is approved, **you** and **your provider** will receive notice in writing. Approval is effective throughout the duration of the current plan year. **We** may request a new request upon renewal of the same plan for subsequent plan years.

Prescribing units

Some **prescription drugs** are subject to quantity limits. These quantity limits help **your prescriber** and pharmacist check that **your prescription drug** is used correctly and safely. **We** rely on medical guidelines, FDA-approved recommendations and other criteria developed by **us** to set these quantity limits.

Specialty prescription drugs may have limited access or distribution and are limited to no more than a 30-day supply.

IMPERIAL INSURANCE COMPANIES

SECTION 7 – WHO PROVIDES THE CARE

Just as the starting point for coverage under **your Policy** is whether the services and supplies are **eligible health services**, the foundation for getting covered care is the network. This section tells **you** about **network providers**.

Network Providers

We have contracted with **providers** in the **service area** to provide **eligible health services** to **you**. These **providers** make up the network for **your Policy**.

For **you** to receive the benefits, **you** must use **network providers** for **eligible health services**. There are some exceptions:

- **Emergency services** – refer to the description of **emergency services** and urgent care in *Section 5 – Coverages*, page 15.
- Urgent care – refer to the description of **emergency services** and urgent care in *Section 5 – Coverages*, page 15 and to the Schedule of Benefits.
- **Network provider not reasonably available** – **You** can get **eligible health services** under **your Policy** that are provided by an **out-of-network provider** if an appropriate **network provider** is not reasonably available. **You** must ask to use the **out-of-network provider** in advance and **we** must agree. See the *How To Contact **Us** For Help* section on page 6 for assistance. **We** will make a decision as soon as **your** medical condition requires but no later than 5 working days after **we** receive all of the information **we** need from **your provider**. **We** may decide not to approve **your** request. Before **we** deny the request, a **specialist** of the same or similar specialty as the **provider you** are requesting to see will review **your** request. If access is approved, **we** will pay the **out-of-network provider** at **our** usual and customary charge or at an agreed rate. **We** will work with the **provider** so that all **you** pay is the appropriate network level **copayment**. See the *How To Contact **Us** For Help* section on page 6 for assistance.
- Transplants – see the description of transplant services in *Section 5 – Coverages*, page 15

You may select a **network provider** from the provider **directory** through **our** website at www.Imperialhealthplan.com. See the *How To Contact **Us** For Help* section on page 6. **You** can search **our** online **directory** for names and locations of **providers**.

You will not have to submit claims for treatment received from **network providers**. **Your network provider** will take care of that for **you**. **We** will directly pay the **network provider** for what the **Policy** owes.

Your PCP

For **you** to receive the network level of benefits, **eligible health services** must be accessed through **your PCP** or another **network provider**. They will provide **you** with primary care.

A **PCP** can be any of the following **providers** available under **your Policy**:

- General practitioner
- Family **physician**
- Internist
- Pediatrician
- OB, GYN, and OB/GYN

Your PCP can provide care for obstetrical or gynecological services, or **you** can choose an OB, GYN, or OB/GYN **network provider** to provide care for those services. **You** can access an OB, GYN, or OB/GYN without a **referral** from **your PCP**. A female has direct access to an OB, GYN or OB/GYN in addition to a **PCP**.

If **you** have a chronic, disabling or life-threatening **illness**, **you** can request to use a network **specialist** as **your PCP**. **Your** network **specialist** must let **us** know that the network **specialist** agrees to act as **your PCP**. **You** can contact Member Services at the toll-free number on **your** ID card for information as to how to apply for this exception.

Designation of **your** network **specialist** as **your PCP** will not be retroactive. If **your** request is denied, **you** may appeal the decision. See the attached Health Care Insurer Appeals Process and *Section 9 – When **You** Disagree – Complaint Decisions And Appeal Procedures*, page 63.

SECTION 8 – WHAT WE PAY AND WHAT YOU PAY

Who pays for **your eligible health services** – just **Us**, **Us** and **you**, or just **you**? That depends. This section gives the general rule and explains these key terms:

- **Your deductible**
- **Your copayments**
- **Your maximum out-of-pocket limit**

We also remind **you** that sometimes **you** will be responsible for paying the entire bill – for example, if **you** get care that is not an **eligible health service**.

The General Rule

The Schedule of Benefits lists how much **We** pay and how much **you** pay for each type of health care service. In general, when **you** get **eligible health services**:

- **You** pay for the entire expense up to any **deductible** limit, when a **deductible** applies
- Imperial and **you** share the expense up to any **maximum out-of-pocket limit**. **Your** share is called a **copayment**. **Copayments** do not accumulate to **your deductible,** but do accumulate to **your maximum out-of-pocket limit**.
- Then, **We** pay the entire expense after **you** reach **your maximum out-of-pocket limit**.

When **we** say "expense" in this general rule, **we** mean **negotiated charge** for a **network provider**. See Section 12 – Definitions, page 70 for what this term means.

Important Note – When We Pay All

We pay the entire expense for all **eligible health services** under the preventive care and wellness benefit.

Important Note – When You Pay All

You pay the entire expense for an **eligible health service**:

- When **you** get a health care service or supply that is not **medically necessary**. See *Section 4 – Medical Necessity Referral, And Preauthorization Requirements*, page 13.
- When Imperial requires **preauthorization**, it was requested, **we** refused it, and **you** get an **eligible health service** without **preauthorization**. See *Section 4 – Medical Necessity Referral, And Preauthorization Requirements*, page 13.
- When **you** get an **eligible health service** without a **referral** when **your Policy** requires a **referral**. See *Section 4 – Medical Necessity Referral, And Preauthorization Requirements*, page 13.
- When **you** get an **eligible health service** from someone who is not a **network provider**. See *Section 7 – Who Provides The Care*, page 57.

In all these cases, the **provider** may require **you** to pay the entire charge, and any amount **you** pay will not count towards **your deductible** or towards **your maximum out-of-pocket limit**.

Special Financial Responsibility

You are responsible for the entire expense of cancelled or missed appointments.

Where Your Schedule Of Benefits Fits In

The Schedule of Benefits shows any benefit limitations that apply to **your Policy**. It also shows any out-of-pocket costs **you** are responsible for when **you** receive **eligible health services**, and any **maximum out- of-pocket limits** that apply.

Limitations include things like maximum age, visits, days, hours, admissions and other limits. Out-of-pocket costs include things like **deductibles** and **copayments**.

Keep in mind that **you** are responsible for paying **your** part of the cost sharing. **You** are also responsible for costs not covered under this **Policy**.

SECTION 9 – When You Have a Complaint or an Appeal

The Appeals Process Information Packet ("Appeal Packet") describes the process by which Members may obtain information and submit concerns regarding service, benefits, and coverage. For more information, see the Appeals Process Information Packet ("Appeal Packet").

We will provide you a copy of the Appeal Packet when you first receive your EOC, and within 5 business days after we receive your request for an appeal. We will also send a copy of this packet to you or your treating Provider at any time upon request. Just call Member Services at the toll-free number that appears on your ID card.

Coverage will end immediately on the next **premium** contribution due date following the date on which **you** no longer meet the eligibility requirements.

When We Would End Coverage

We may end **your** coverage upon 15 days written notice to **you** if **you** commit fraud or intentionally misrepresent yourself when **you** applied for or got coverage. **You** can refer to *Section 11 – General Provisions – Other Things **You** Should Know*, page 66 for more information.

SECTION 11 – GENERAL PROVISIONS – OTHER THINGS YOU SHOULD KNOW

Administrative Provisions

How We Will Interpret This Policy

We prepared this **Policy** according to federal and state laws, as applicable. **We** will interpret the **Policy** according to these laws. Also, **you** are bound by **our** interpretation of this **Policy** when **we** administer **your** coverage, so long as **we** use reasonable discretion.

How We Administer This Policy

We apply policies and procedures **we** have developed to administer this **Policy**.

Who's Responsible To You

We are responsible to **you** for what **our** employees and other agents do.

We are not responsible for what is done by **your providers**. They are not **our** employees or agents.

Coverage And Services

Your Coverage Can Change

Sometimes things happen outside of **our** control. These are things such as natural disasters, epidemics, fire, and riots. **We** will try hard to get **you** access to the **eligible health services** that **you** need even if these things happen.

For any material modifications to **your** coverage, **we** will give **you** a 60-day notice.

Your coverage is defined by this **Policy**. This document may have amendments or riders too. Under certain circumstances, **we** or an **applicable law** may change **your Policy**. When an emergency or epidemic is declared, **we** may modify or waive **preauthorization**, **prescription** quantity limits or **your** cost share if **you** are affected. Any modification made will be no less favorable than current requirements. Only **we** may waive a requirement of **your Policy**. No other person – including **your provider** – can do this.

Financial Sanctions Exclusions

If coverage provided under this **Policy** violates or will violate any economic or trade sanctions, the coverage will be invalid immediately. For example, **we** cannot pay for **eligible health services** if it violates a financial sanction regulation. This includes sanctions related to a person or a country under sanction by the United States, unless it is allowed under a written license from the Office of Foreign Asset Control (OFAC). **You** can find out more by visiting https://ofac.treasury.gov/sanctions-list-service.

If You Become Eligible For Medicare

If **you** are eligible for Medicare Part B, **we** will base **our** payment for **eligible health services** on the benefits covered under Medicare Part B that **you** are eligible for. **We** will do this even if **you** are not enrolled in Medicare Part B. Medicare will be the primary payor for the **eligible health services**.

If **you** have questions about Medicare, **you** can contact **your** local Social Security Administration office.

Workers' Compensation

If benefits are paid by **us** and **we** determine **you** received worker's compensation benefits for the same event, **we** have the right to recover the payment **we** made ("recover") as described under the *When **You** Are Injured By A Third-Party* section in **your Policy**. **We** will seek to recover the payments from **you**.

These recovery rights will be applied even though:

- The workers' compensation benefits are in dispute or are made by means of settlement or compromise
- No final determination is made that bodily **injury** or **illness** was sustained in the course of, or resulted from, **your** employment
- The amount of workers' compensation due to medical or health care is not agreed upon or defined by **you** or the workers' compensation carrier
- The medical or health care benefits are specifically excluded from the workers' compensation settlement or compromise

You agree that **you** will notify **us** of any workers' compensation claim **you** make, and that **you** will reimburse **us** as described above. If benefits are paid under this **Policy** and **you** or any covered dependent recover payment or benefits from a responsible party, **we** have a right to recover from **you** or any covered dependent an amount equal to the amount **we** paid.

Legal Action

You must complete the internal appeal process before **you** take any legal action against **us** for any expense or bill. See *Section 9 – When **You** Disagree – Complaint Decisions And Appeal Procedures*, page 63 in **your Policy and the attached Health Care Insurer Appeals Process**. **You** cannot take any action until 60 days after **we** receive the written submission of claim.

No legal action can be brought to recover payment under any benefit after 3 years from the deadline for filing claims.

Benefits Not Transferable

Only **you** and **your** covered dependents may receive benefits under this **Policy**.

Following The Law

When You Are No Longer The Subscriber

If **you** are no longer the subscriber and the **Policy** was not cancelled, **your** covered spouse, civil union partner, domestic partner may become the subscriber upon notification to the Marketplace or **us** as long as **you** continue to pay the premium. If there is no subscriber at the end of a **premium** period, the **Policy** will be cancelled.

Child-Only Coverage

In the case of child-only coverage, the parent or legal guardian in whose name the coverage under the **Policy** is issued is considered the subscriber. As a parent or legal guardian, the subscriber has subscribed on behalf of the child for the benefits described in this **Policy**. It is the subscriber's responsibility to make sure the child fulfills all terms and conditions outlined in this **Policy**.

Effect Of Benefits Under Other Policies

Non-duplication of benefits

If, while covered under this **Policy**, **you** are covered by another Imperial individual coverage **Policy**:

- **You** have a right only to benefits of the **Policy** with the better benefits
- **We** will refund any **premium** charges **you** paid for the **Policy** with the lesser benefits during the time **you** were covered by both plans

Physical Examinations And Evaluations

At **our** expense, **we** have the right to have a **physician** of **our** choice examine **you**. This will be done at all reasonable times while certification or a claim for benefits is pending or under review.

Records Of Expenses

You should keep complete records of **your** expenses. They may be needed for a claim.

Things that would be important to keep are:

- Names of **physicians** and **providers** who provide services
- Dates expenses are incurred
- Copies of all bills and receipts

Honest Mistakes And Intentional Deception

Honest Mistakes

You may make an honest mistake when **you** share facts with **us**. When **we** discover a mistake, **we** may make a fair change in **premium** contribution or in **your** coverage. If **we** do, **we** will tell **you** what the mistake was. **We** will not make a change if the mistake happened more than 2 years before **we** learned of it.

We also will not use any statement made to void, cancel or non-renew **your** coverage or reduce benefits unless it is in a written enrollment application, signed by the contract holder and furnished to **you**.

Intentional Deception

If **we** learn that **you** defrauded **us** or **you** intentionally misrepresented material facts, **we** can take actions that can have serious effects on **your** coverage. These include, but are not limited to:

- Loss of coverage, starting at some time in the past
- Loss of coverage going forward
- Denial of benefits
- Recovery of amounts **we** already paid

We also may report fraud to criminal authorities.

- **We** will give **you** 30 days advanced written notice of any loss of coverage
- **You** have the right to an Imperial appeal
- **You** have the right to a third-party review conducted by an independent review organization

In the absence of fraud, any statement made on **your** application for coverage is considered a representation and not a warranty.

Financial Issues

When **you** see a **network provider**, the **network provider** will usually bill **us** directly. When **you** see an **out-of-network provider we** may choose to pay **you** or to pay the **provider** directly. To the extent allowed by **applicable law**, **we** will not accept an assignment to an **out-of-network provider**.

Recovery Of Overpayments

In certain instances, **we** may overpay for **eligible health services** or pay for something that this **Policy** does not cover. If **we** do, **we** can require the person **we** paid – **you** or **your provider** – to return what **we** paid. If **we** do not seek recovery of the overpayment, **we** have the right to reduce any future benefit payments by the amount **we** paid by mistake.

Your Health Information

We will protect **your** health information. **We** use and share it to help **us** process **your** claims and manage **your Policy**. **You** can get a free copy of **our** Notice of Privacy Practices. Just call **us** at the number on **your** ID card.
